

CERAMIC
CONTAINERS
FOR THE
FOOD INDUSTRY

Tradition, innovation and quality

Regás is a family-run company founded in 1821 that has produced clay cookware for centuries.

The Know-how transfer along the years has made possible to become what we are now, a modern company that combines the best of the mediterranean tradition with the application of the last technologies in the sector to improve the production process and acomplish with the highest international quality standards.

Ecofriendly and healthy containers

In Regás we are comitted to the preservation of the envioroment therefore our products are 100% natural and recycable. They simply are a combination of 3 natural elements: clay, water and fire.

We use cadmium and lead free glazes, all our products comply with the international food-safety standards.

IDEAL FOR READY-TO-EAT MEALS, ▶
APPETIZERS AND DELICIOUS
“AU GRATIN” DISHES AND GARNISHES.

CERAMIC CONTAINERS FOR THE FOOD INDUSTRY

Food safety guarantee

Ceramic containers are suitable for all kind of food types: sweet desserts, creamy cheeses, dairy products, frozen and refrigerated ready-to-eat meals and appetizers

We transform high quality clays into warm products that will enhance the consumer experience and guarantee a Premium perception.

I+D and industrial production

The faithfulness of our clients throughout almost 200 years is our endorsement. At the present, we serve our clients worldwide from our production facility based 50 km north of Barcelona (Spain).

We transform natural raw materials in a sustainable product using the most innovative technologies.

We are ISO 9001:2015 certified.

Create your ceramic

Our design team will work closely with you from an early stage to provide solutions and accompany you in the wonderful adventure of your ceramic container creation.

All types of containers can be engraved with your logo and corporate message.

They will protect the content from light and preserve the flavor and taste.

Suitable for oven, microwave and dishwasher.

- ◆ THEY ARE REUSABLE. ENGRAVE YOUR LOGO OR COMPANY NAME AND YOU WILL ALWAYS BE PRESENT.

Closure solutions: lids and thermo sealing

We have available a wide range of sizes and shapes of plastic lids adapted to our standard references.

We can supply containers ready for your thermosealing lines with plastic and aluminium lids.

You will add value and usability to your products.

A perfect way to communicate a high quality level and a Premium experience which is a strong consumer demand.

CONSUMER DEMAND FOR PREMIUM ►
PRODUCTS IS GROWING.

CERAMIC CONTAINERS FOR THE FOOD INDUSTRY
